

MATTHEWS PAINT by PPG

High-Build Polyester Primer Surfacer

(6002SP/01)

800.253.1569 | wensco.com

6002SP/01 is a fast-drying, two-component, high-build polyester gray primer surfacer with excellent filling properties that can be used over a wide variety of substrates, including sign foam, wood or any substrate that requires high film build. Its lead- and chromate-free formulation is ideal for use in areas where sustainability regulatory compliance is required.

Features and Benefits

- Lead- and chromate-free technology with a low 1.36 lbs./gal. VOCs
- Compatible over a wide variety of properly prepared surfaces, including foam, wood, metal and fiberglass
- Brush and roll capability for use in areas where air spraying is prohibited
- Fast-drying polyester technology provides exceptional filling and sanding capabilities
- High 77.9% volume solids builds film quickly with fewer coats than our standard polyester primer surfacer (6001SP)
- Easy 1-quart primer to 1-ounce hardener ratio simplifies mixing process
